Universal **Merchants & Managers**

FF&E Donations & Decommissions

Together we can turn Salvage into Salvation!

That's Sustainable.

UM&M Mission

Provide Best in Class Decommission Services at a value price point.

Donate FF&E to The Salvation Army at Zero cost to TSA or the Client.

Sell balance of FF&E and Donate 50% of Proceeds to The Salvation Army in the Donor Client's name.

Responsibly Recycle the balance of the inventory to impactfully reduce landfill.

Clearly and Timely communicate all phases to all stakeholders.

Mission Credentials

UM&M management has over 35 years experience as a national and international decommission service provider.

Previous National Buy Back Program Manager for Steelcase's Revest Co.

UM&M Service Providers average 25 years in their respective fields. Are fully vetted, time tested and fully insured.

UM&M Does Not Sell Retail and will sign any Non-Compete.

UM&M and The Salvation Army, under this program, will consider Co-Branding.

Influence by Action

This Program goes beyond the Quest for Corporate Messaging and Sustainability.

UM&M does avoid Landfill for a better environment.

UM&M is cost effective. We add no fees to the Decommission Bid.

UM&M has the experience and the talent pool to handle any project.

UM&M Repurposes FF&E and Profits for a Higher Purpose. We help fund the Mission of The Salvation Army in Rebuilding Lives and Families. What could be better for the environment?

Together we can Turn Salvage into Salvation for People and The Planet.

Doing The Most Good

<https://www.salvationarmyusa.org/usn/corporate-partnerships/>

The Devil is in The Details

The labor and transportation to process the donation is offset by the elimination of labor, transportation and landfill fees.

We will reply to every opportunity but even with our vast resources not every project is a fit.

We will supply a project quote with our decommission services or work with your Service Provider.

Best results for all stakeholders are achieved when UM&M has the opportunity to participate early in the planning process.
